1. INTRODUCTION

1.1 Request for Proposal

Goodman Property Management USA GP, Inc ("Goodman") on behalf of the various owners of properties owned by affiliated Goodman entities is seeking proposals from suitable professional and experienced organizations for the provision of tree trimming services more fully described below and at the properties outlined in the bid template attached. You have been selected to receive this RFP.

The Services shall be fully compliant with all standards, regulations, laws, statutes, and the requirements of any relevant authority.

We are seeking bids for a **28-month term from September 1, 2026, to December 31, 2028**, for all properties listed in RFP Schedule 1.

No explanation or amendment to the RFP documents shall be recognized unless in a written addendum issued by Goodman. All inquiries relating to this RFP must be directed to the Procurement team at (USAssetMgmtTeam_RFP@goodman.com). Responses to general inquiries will be provided to all bidders.

1.2 Background to RFP

Goodman is currently reviewing the long-term management requirements and processes to manage our assets. Goodman utilizes a mix of service providers across its portfolio and wishes to maintain a high quality of well-maintained building stock.

The contract term will be a fixed price contract during the term of the contract. Contract term will be for **28 months**.

The completed schedule of Rates will be for a fixed price cost also for the term of the contract. The Schedule of Rates will be used to determine future scope expansions or additional properties added to the suppliers and reactive works.

The Woodworks Tree Preservation "**Goodman Tree Pruning Maintenance Plan Report dated May 2026**" shall be considered a reference document for bidding purposes. Contractors shall familiarize themselves with all recommendations, pruning priorities, frequencies, and maintenance objectives identified in the report. Work shall be generally consistent with the arborist's recommendations unless otherwise directed by Goodman.

1.3 Goodman and Sustainable Sourcing

At Goodman, we are focused on building a sustainable business for the long term. One that benefits our customers and delivers returns for our investors.

Our 2030 Sustainability Strategy is one of the measures we hold ourselves accountable to. It influences long-term outcomes across the Environmental, Social and Governance (ESG) spectrum and it supports Goodman and its stakeholders to deliver sustained growth and develop ongoing resilience.

Our ESG focus, which supports our strategy is ambitious, with commitments covering:

- + **Environment:** carbon strategy, climate resilience, energy efficiency, waste management, water management
- + **Social:** human rights, inclusion, diversity, fighting modern slavery, equal opportunity, social benefit. Building a platform for authentic and positive change over the next decade is important to Goodman. We want to work closely with our customers, our investors, our suppliers and our people to decarbonize, to

mitigate climate risk and to increase social impact

As part of the evaluation process, Goodman will consider Vendor's genuine efforts to move towards a cleaner environment.

1.4 Inquiries

All inquiries relating to this RFP must be directed to Jeffrey Yang (jeffrey.yang@goodman.com).

1.5 Site Visits

Goodman are able to coordinate any site visit requested by the vendor who shall comply with Goodman's directions and Goodman's health and safety rules. While on site all communication shall be directed to the Goodman Authorized Representative.

1.6 Receipt

Each recipient of this RFP shall acknowledge receipt of this RFP within 24 hours of receipt, which acknowledgement shall set out details of the recipient's authorized representative: Jeffrey Yang (jeffrey.yang@goodman.com).

Goodman shall not be obliged to deal with any person other than the person authorized in connection with this RFP and any proposed submissions.

1.8 Submission of bids

Respondents must provide bids by **August 7, 2026** and must be submitted via email to the following address: (USAssetMgmtTeam_RFP@goodman.com).

1.9 Property of RFP and Confidentiality

The documents comprising this RFP shall remain the property of Goodman and may not be copied or reproduced in any way without the prior written approval of Goodman except for the purpose of preparing a submission in response to this RFP.

This RFP and all information and discussions relating to the RFP and any submission made shall be kept confidential and each recipient agrees that it shall not disclose such information except as maybe required at Law without the prior written consent of Goodman.

Should the recipient find any discrepancy, error, or omission in the RFP documents, they shall notify the Authorized Goodman Representative in writing before the date and closing time for the RFP.

1.10 Scope of Work

The Tree Trimming Report is provided as the primary planning document for this RFP. Contractors shall thoroughly review the report and familiarize themselves with all applicable recommendations, pruning frequencies, priority classifications, and maintenance requirements. Goodman has also provided important clarifications on **Page 32** of the report. These clarifications shall supplement the report and shall govern in the event of any inconsistency or differing interpretation.

The scope of work includes, but is not limited to, the following:

1. Structural Pruning
2. Crown Maintenance Pruning
3. Palm Pruning
 - Palm pruning shall include:
 - Removal of dead fronds.
 - Removal of loose fronds.
 - Removal of seed stalks and fruit where required.
 - Removal of loose petiole bases where appropriate.
 - Contractor shall not remove healthy green fronds except where necessary for clearance.
 - No "hurricane cuts" shall be permitted.
- 4 General Requirements
 - Contractor shall furnish all labor, supervision, equipment, tools, materials, traffic control, permits, disposal services, and incidentals necessary to perform tree maintenance services at Goodman properties.

2. SELECTION

Goodman will evaluate submissions to the RFP against the following selection criteria.

Goodman reserves the right to negotiate with any of the short listed/preferred Respondent/s. The negotiations may involve seeking improved submissions on the grounds of the systems, products and or services offered, the cost and effectiveness of the Services, or matters relating to the combination of any part/s of the submission with any other part/s of the submission.

Goodman reserves the right to engage an independent consulting arborist to inspect completed work. Work rejected for non-compliance with ANSI A300 standards shall be corrected at the contractor's expense.

2.1 Evaluation and Selection Criteria

In order to be selected for work on Goodman's portfolio you must have the following:

- + Bids submitted on or before due date
